

THE PROPOSAL: MAIN BLOCK PLANS

MAIN BLOCK

A main teaching block will house the College's new reception and main entrance leading into specialist areas for the teaching of hospitality, catering, hair and beauty. All designed to improve community access and opportunities for students to gain experience through real world practical experience. A new refectory and social space will feature in this block which will enjoy a central campus location and a direct connection to a high quality central heart space. The main block will provide dedicated learning zones for Business, IT, Motor vehicles and students undertaking A-level studies.
