THIRD EDITION - JANUARY 2023

Yeovil
College

Your College of the Future!

It is time to share the images of the emerging proposals for the redevelopment of Yeovil College. Yeovil College was recently named as one of 16 colleges in England to benefit from a significant investment as part of the Government's Further Education Capital Transformation Fund.

Mark Bolton, Principal & CEO, of Yeovil College, said: "This is the biggest investment in education in Yeovil and our local area in our living history. The quality and appointment of these spaces will be amazing for our community, our business environment and our future learners, creating the spaces to fulfil our high aspirations – only the best is good enough at Yeovil College."

A Level Mock Exams

This month, we wished all Yeovil College Kingston Sixth Form A Level students good luck in their A Level mock exams, and we took the opportunity to recognise the significant effort that both students and teachers have committed in ensuring exam readiness and subject confidence.

Apprenticeship & Careers Fair, Wednesday 8th February, 5.00pm-7.30pm

Discover local and regional career opportunities, meet your future employer, understand more about apprenticeship pathways and secure an interview! Speak to local and regional employers who currently are hiring their next Apprentices or who are planning to offer apprenticeships and career opportunities in the future and kick-start your future career in a really positive way.

Supporting Young People Event – Parent's Event

This event is for all parents of future Yeovil College students and has been designed to support young people through the transition from school into Further Education. Hear from the Principal & CEO of Yeovil College, Director of Employer Engagement, Head of Careers, Work Placement and Employability and our Head of Student Experience & Safeguarding. Let us support you, to support them. Join us on 23rd February, 6pm to 7pm.

Space is limited so please register to attend [here](#)

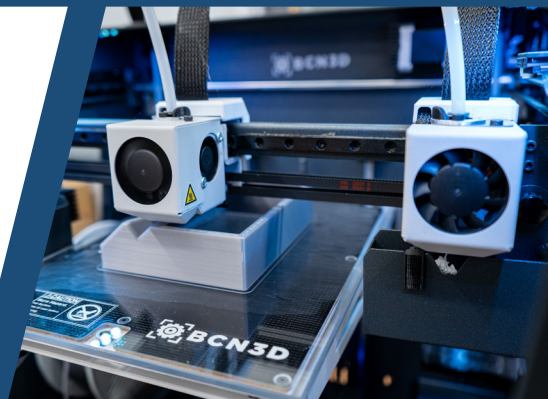

Women's and girls' Football returns to Yeovil College

We are delighted to announce the expansion of the Yeovil College Elite Player Development Programme (EPDP), in partnership with Yeovil Town Football Club, into Womens' and girls' football. In partnership with YTFWC, we will be championing post-16 football and education with YTWFC supporting our EPDP for women qualification, in the same way that they currently support our men's EPDP.

Yeovil College secure £1.2 million investment into Hydrogen Cell Technology

Yeovil College students are set to benefit from state-of-the-art medical suites along with cutting edge engineering and science labs, in a multimillion-pound investment in university and college facilities. We have successfully secured our share of almost £490 million of investment, providing students with access to world-class facilities and enabling them to offer more high-quality training opportunities that will accelerate them on a path to a great career. The Prime Minister, Rishi Sunak, said: "Investing in education and skills will unlock future growth, boost productivity and help build the skilled workforce of the future."

Yeovil College is set to receive support from the Open University

Yeovil College is amongst the first wave of colleges in England that will receive support from The Open University (OU) to develop our higher technical educational offer available to our local community.

Sian Deasy, Head of Higher Education and Adult Learning, Yeovil College University Centre, said: "This exciting new partnership with The Open University will allow us to continue to provide opportunities for people to upskill and retrain in order to secure high-value employment in our region, in particular, focusing on the essential field of Digital Health."
